

# Calling ambitious Associate level Planners looking for a new challenge

We are looking for two Associates and/or Associate Directors to join our ambitious team to help drive forward our vision and growth plans. Our work extends across the South Midlands, the South East and the South of England. You will be leading on a variety of high profile and challenging jobs and will have a pivotal role in supporting continued business growth and staff development.

- RTPI member
- A minimum of 5 years experience, including leading complex projects
- Managing and mentoring experience
- Experience or a proven interest in rural estates, master planning, education and heritage projects

Edgars is an award winning Oxfordshire based Planning Consultancy, providing advice to our clients across the South of England. We have been highly commended by the RTPI in the "Planning Consultancy of the Year 2020" awards and voted best planning consultancy at the Oxfordshire Property Festival 2020. We have experienced significant growth in our rural estate projects, the education sector and in ambitious proposal for private individuals.

## Our Vision - "Planning for the Future Imagined"

*In relation to our clients ambitious projects, our plans to grow the business and to grow the talent of our people and the profession through on the job training and apprenticeships.*

## Our Values

**Champion** our client's projects and vision, our profession and our team.

**Curious** to learn and understand projects and effectively promote them through the planning process.

**Collaborative** in our approach with clients, consultants, colleagues, each other and Local Authorities.

**Candid** but polite, honest and open communication with our clients and each other is our goal.

**Committed** to the client's objectives and achieving successful outcomes no matter what size the project.

**Challenge** the status quo and seek to find improved ways of working and achieving excellence.

We offer support for your personal and professional development and opportunities to work on exciting projects of architectural excellence. We are currently working in a blend of office base and home working and will provide the technology to ensure this is possible. If you are based outside Oxfordshire please apply as our projects are far reaching and we seek to expand and embrace new ways of working. We provide a comprehensive salary and benefits package.

If you wish to join the team, or are curious to learn more and be part of our continued success, please send your cv or contact us to discuss the opportunities. Closing date 6th November 2020.
